

WAIHEKE WORKING SAIL

SUSTAINABLE COASTAL SHIPPING FOR THE 21ST CENTURY

Build and operate a sailing craft for:

- Low Energy, Zero Carbon Cargo Transport,
- Sail training and Nautical Skills
- Boat-building and maintenance skills.
- Research into Sail vs Road Competitiveness

Preserving and maintaining traditional skills through purposeful work.

Developing new technologies and skills for a post carbon era.

Increasing the resilience and community strength of Waiheke

WHAT IF WE... ?

- A timetable with freight prices
- Completed fixed ideas
- Us to know everything
- Anything to happen without your support
- To get anywhere without time, money and effort
